HOLIDAY *for* HOPE Gala

In South Dakota, an estimated 5,340 new cancer cases will be diagnosed this year, and nearly 2,000 South Dakotan patients are expected to die from the disease.

You can make a difference to local cancer patients by joining the American Cancer Society in support of a Holiday For HOPE! Since returning to in-person events, our Holiday For Hope Gala has seen record breaking numbers and has been instrumental in providing direct financial support to local health systems and their patients.

Thanks to the incredible generosity of Gala sponsors, donors, and attendees, ACS invested in and expanded local lodging/transportation programs for area cancer patients:

- In January 2024, ACS awarded Pilar del la Puente of Sanford Health a **\$792,000 research grant** in ovarian cancer.
- In 2022 and 2023, ACS invested over **\$385,000 in transportation and lodging grants** to South Dakota health systems which has provided thousands of South Dakota cancer patients with critically needed gas/hotel gift cards.
- The ACS Road to Recovery program is reactivated and has already helped patients receive dozens of free rides to local treatment.

But there's more to be done in the fight against cancer. Help us dream BIGGER and do MORE for local patients by considering a sponsorship for our 2024 ACS Holiday for Hope Gala!

**\$200,000
goal for 2024**
